

UNGUARDED **P4** CAR PARK
TERMS & CONDITIONS

Katowice International Airport

§1

P4 Car Park is managed by the Upper Silesian Aviation Group (hereinafter: GTL SA) with its office in Katowice, correspondence address: Katowice International Airport in Pyrzowice, 42-625 Ożarów ul. Wolności 90.

§2

Premises of Car Park P4 are an integral part of Katowice International Airport in Pyrzowice, 42-625 Ożarów ul. Wolności 90. A traffic zone applies at the car park in accordance with the traffic rules of the Traffic Law Act.

§3

1. By entering the car park, an agreement is concluded for charged use of the car park infrastructure.
2. Use of parking infrastructure is understood as use of a designated parking space located in the car park.
3. By entering the car park, every user of a vehicle agrees to these "Terms & Conditions" and undertakes to comply with their provisions.

§4

1. The car park is unguarded, use is charged.
2. The premises of the car park are monitored, illuminated, fenced.
3. Parking tickets and parking reservations shall not be left inside vehicles. Vehicles shall be closed, and their content secured. Valuable items shall not be visible.
4. GTL SA is not responsible for loss or damage made to motor vehicles located in the car park and shall not be liable for damage to other properties caused by third parties.

§5

1. The Car Park is open on all days of the year (24/7).
2. Vehicles carrying firearms of any kind and hazardous materials, in particular flammable, corrosive, explosive and other materials, are strictly prohibited from entering the car park, unless the owner has a relevant permit and the hazardous material in the vehicle is secured in accordance with current legislation.

§6

1. A traffic zone applies to the car park, especially the access and internal roads. The maximum vehicle movement speed is 20 km/h.
2. The driver of a vehicle using the car park is obliged to observe the vertical and horizontal road signs, instructions of the car park attendants and other persons authorised in this respect (Airport Security Service, Police, Border Guard, Customs and Tax service).

§7

Wjeżdżając na parking, należy obowiązkowo:

- a. zatrzymać się przed zaporą przy kolumnie parkingowej,
- b. uruchomić zaporę przez pobranie biletu parkingowego, poprzez zeskanowanie kodu QR rezerwacji, przyłożenie karty magnetycznej do czytnika lub przez automatyczny odczyt tablicy rejestracyjnej (dotyczy pojazdów uprzednio wpisanych w elektronicznym systemie parkingowym),
- c. mieć na uwadze, że zaporę zamyka się od razu po każdym przejeździe samochodu. Jednoczesny przejazd dwóch samochodów jest zabroniony i grozi uszkodzeniem samochodu oraz systemu automatycznej obsługi parkingów.

§8

1. While entering the car park, it is necessary to:
 - a. stop in front of the barrier at the parking column,
 - b. launch the barrier by collecting a parking ticket, by scanning the QR code on the reservation, by tapping a magnetic card on the reader, or by car number plates being automatically read (relates to vehicles previously added to the electric parking system),
 - c. bear in mind that the barrier closes after every vehicle passage. Simultaneous passage of two cars is prohibited and risks damaging the car and the automatic car park system.
2. Pay machine payment:
 - a. the parking fee is paid before leaving the car park (up to 25 minutes before leaving the car park),

- b. in order to pay the parking fee at the payment machine one must:
 - insert the ticket in the reader or enter the vehicle registration numbers
 - pay the due amount in accordance with car park price list (due amount is automatically displayed),
 - The payment machine accepts the denominations of PLN: PLN 0.50, PLN 1.00, PLN 2.00, PLN 5.00, PLN 10.00, PLN 20.00, PLN 50.00, PLN 100.00, PLN 200.00, PLN 500.00 and automatically makes change in coins.
 - by payment card (also contactless payment),
 - paid-up ticket must be presented while leaving the car park,,
 - optionally, a receipt variant can be selected in the parking machine according to the parking cash register display,
 - after paying for stay, one must leave the car park in up to 25 minutes via exit of choice,
- c. upon reaching the barrier, the parking system will automatically open the parking barrier after recognising the registration number of the vehicle with paid parking; if the barrier does not opened, the paid ticket must be inserted into the parking column reader,
- d. if the time limit of 25 minutes for leaving the car park is exceeded, the system will charge the parking fee again according to the price list of parking fees,
- e. any irregularities in the operation and collection of payment through the pay machine must be reported to the car park staff via the intercom on the pay machine, exit column or by calling the telephone number: 32 392 74 62.

§9

1. Rate of charge for using parking infrastructure is defined by price list which forms Attachment No. 1 to these Terms & Conditions. Prices defined in the attachment are gross prices and include valid VAT tax.
2. VAT invoices for the use of parking infrastructure will be issued upon request directly at the car park operator's office or on the basis of a scan of the payment confirmation or paid ticket sent by e-mail.
3. An additional charge in the amount of PLN 250.00 (two hundred fifty PLN) gross is charged for losing the parking ticket.
4. Customers without a parking ticket will be dealt with on the basis of data from the parking system. Those clients will be charged in accordance with the valid car park price list.
5. Appropriate legal action will be taken against clients who evade payment.

§10

Car Park price list and Terms & Conditions are available for viewing at the car park service office; price list and Terms & Conditions are also displayed at the car park entrance, at the car park, as well as at the car park exit, and on pay machines. Terms & Conditions and price list is also available on www.katowice-airport.com and after scanning the QR code available at the back of the car park ticket.

§11

1. In the event of a failure of the automatic parking system - the operators shall report the failure directly to the supervisor and the parking system service technician; in such a case, the car park shall be manually issued with entry receipts by the car park operators and the payment of fees shall be confirmed by issuing a fiscal receipt or a VAT invoice.
2. In the event of damage to elements of the parking system by persons using the parking infrastructure, a report is drawn up on the perpetrator of the damage and a police patrol is called.

§12

1. The Car Park has paid parking spots, as well as spots dedicated for:
 - a. vehicles of persons with disabilities,
 - b. GTL SA company vehicles,
 - c. Airport Bus transfer vehicles,
 - d. electric vehicles,
2. Parking spaces indicated in point 1 are properly marked.

§13

1. The following vehicles are exempt from parking charges:

- a. GTL SA company vehicles,
- b. vehicles exempt on the basis of agreements entered into with GTL SA,
- c. emergency vehicles in action
- d. state services vehicles (Police, State Protection Service, Central Anticorruption Bureau, Border Guard, Customs etc.) for business purposes.

§14

While parking, the driver must pay special attention to nearby vehicles, and position his or her vehicle in the designated bay while not covering the lines indicating parking spaces.

§15

1. It is forbidden to park vehicles:
 - a. on Airport Bus stands,
 - b. on access roads and traffic entrance roads,
 - c. others roads properly marked with “no standing” signs or horizontal signs,
 - d. at dedicated and marked spots, except for authorised vehicles,
 - e. places where parking a vehicle could cause danger for vehicle or pedestrian traffic, or property.

§16

1. In the event of failure to respect the rules for the use of the car park set out in these “Terms & Conditions”, vehicles will be immobilised by placing a lock. A “Parking in Prohibited Place” notice and a contact telephone number will be left behind the windscreen of the vehicle. Upon payment of a fee of PLN 100, the lock will be removed by the car park operator. Repeated infringement by the driver will result in the Police being notified for official action.
2. In the event of vehicle parking which does not comply with Terms & Regulations, if it has direct impact of safety of persons or property, user of the car park agrees for the vehicle to be towed to a location selected by GTL SA. The vehicle will be towed at the car park user’s expense and risk.

§17

In the event of an alarm or evacuation in the car park, all obstacles are removed until further notice, the barriers are raised and the car park staff indicates and allows the relevant services to access the site.

§18

It is forbidden in the Car Park to:

- a. consume alcohol, use drugs,
- b. smoke and use open fire flames,
- c. store fuel, flammable substances and empty fuel containers,
- d. refuel vehicles,
- e. leave a vehicle with the engine running,
- f. park a vehicle with leaking systems,
- g. leave children or animals unattended in a vehicle,
- h. carry out any promotional or advertising activities without the consent of GTL SA,
- i. repair, wash, vacuum a vehicle, change radiator fluid, fuel or oil,
- j. litter the car park.

§19

Vehicle user is responsible for all damages to properties or persons made against GTL SA or third parties at the car park.

§20

Remarks and objections regarding the functioning of the car park shall be submitted to the administration of Katowice International Airport in Pyrzowice (Administration tel. +48 32 39 27 309, car park operator tel. +48 32 392 74 62 or +48 32 39 27 189, or in written form to the address indicated in §2.

§21

Any damage to vehicles should be reported immediately to the Police Station (+48 32 39 27 228) and the car park attendant +48 32 392 74 62.

§22

Terms & Conditions remains in force from 17 June 2024. Terms & Conditions were approved by regulation of the Board of GTL SA.
